**Try Lacrosse for Free** clinic (no registration necessary) will be held at the Dundas Dome on Saturday and Sunday, April 6 and 7 from 1:30-2:30 p.m. (equipment provided). Please contact Jennifer at [jennifermarieth@gmail.com](mailto:jennifermarieth@gmail.com) for more information.

Lacrosse is one of the fastest growing sports in the country. It's a fast-paced game that emphasizes quickness, endurance, hand-eye coordination, and strategy; see US Lacrosse's *This is Lacrosse* video for an introduction to the sport. Northfield Lacrosse Association provides the opportunity for boys ages 7-14 and girls ages 9-14 to play club lacrosse on travel teams that begin practice in late April, with games running from June through July or August. Club lacrosse helps prepare athletes for high school lacrosse, which is available in Northfield for both girls and boys. Registration for travel teams opens in mid-March; visit our website below for more information and to register.
