July 2020

We recognize these are uncertain times, with schedules and activities changing frequently. We encourage you to check each association's website for the most current information.

Northfield Fastpitch Softball Association

<https://www.northfieldfastpitch.org>

The Northfield Fastpitch Softball Association will offer a **5v5v5** program during the month of July and possibly into August.

What's 5v5v5?

- A game consists of three (3) teams competing against each other in a 5-inning game.
- Each team plays defense for two-thirds of an inning (nine outs) and shall bat five times.
- An "Infield Team" and an "Outfield Team" play defense, while the "Batting Team" takes their turn at bat.
- All three teams rotate positions for one cycle (nine outs) to complete one inning.
- The winning team is the team that scores the most runs (of course).
- Other than the three-team format, normal age appropriate fastpitch softball rules apply.
- Each team will have a coach who will assign positions, batting order and substitution decisions.
