

News & Announcements

October 2020

We recognize these are uncertain times, with schedules and activities changing frequently. We encourage you to check each association's website for the most current information.

Northfield Tennis Association

<http://www.northfieldtennisassociation.org>

Check our website for updates and program information!

Minnesota Youth Ski League

<http://mysl.org>

Northfield SkiSparks of MYSL is planning a winter season of cross-country ski lessons at the Carleton Arboretum beginning January 3, 2021. This all-volunteer club teaches the skills of cross-country skiing to ages 4-12 with small group games designed to help your family love winter. Limited equipment rental is available on a first-come, first-serve basis. Watch for registration information and COVID-related updates on our website beginning in October on our website.

Northfield Skating School

<http://www.facebook.com/northfieldskatingschool>

Northfield Skating School is back for fall lessons! We offer group and private lesson opportunities for beginner through advanced athletes, while building skills and confidence for skating and for life. Register through Community Education for Sunday lessons beginning Sept 27. All registered athletes must be able to stand and move unassisted due to current no-contact coaching policies. Please review our full COVID-19 safety policies prior to registering.

News & Announcements

October 2020

Northfield Area Family YMCA

<http://www.northfieldymca.org>

Utilizing safety guidelines from the Minnesota Department of Health and the CDC, the Northfield Area Family YMCA is running a variety of family and youth programming this fall. Programs continue to evolve each day. Please check for updates on our website – new offerings are added weekly! Scholarships are available for membership and programs.

Northfield Community Education

<https://northfield.cr3.rschoolday.com/public/home>

Fall registration is open. The Community Education brochure has been mailed. The brochure does not contain details of each program, as that information will be available on our website and continually updated as the Covid situation changes. Scholarships are available for students residing in the Northfield Public School District who qualify for free and reduced lunch.
